

# Game Room Rules

1. There must be someone **18 years or older** in the game room in order for children or youth to play in it.
2. **No Food or Drinks** (including candy and gum) are allowed in the game room.
3. If you break a ping pong ball or paddle or damage or destroy anything else in the game room, **you will be held responsible for paying to replace the item!**
4. Please **Be Aware of Others** playing, standing, or sitting around you. It's no longer fun when someone gets hurt. There is to be no running, throwing of any objects, or hitting (that includes with the bean bags!)
5. When you leave the room, please **return anything you were using to its proper place** (i.e., ping pong balls, paddles, pool sticks, pool balls, foose balls, air hockey equipment, etc.)
